

# Dragon Bags

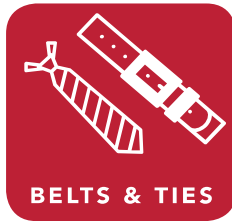

## ***Ynysfach Primary School***

Are raising money for the pupils by recycling clothes. We can earn £300 for every tonne of clothes we can recycle. Please take any unwanted clothes to the recycling container in the school car park. All we ask is that you place them in a carrier / black bag first, before leaving them in the container. Please let everyone know, as the more we recycle, the more we raise for the pupils.

Please see the list of accepted items.
